## **BURTON-in-LONSDALE's MEDIEVAL GALA: A great family day out!**

After many years' absence, the Village Gala is BACK! Even more excitingly, it is back with a THEME... a medieval theme no less. Why medieval? Well to reflect the fact that the village – and its motte & bailey – dates back to the 11th century. The impressive remnants of the old fort's origins are a major landmark in the village, and one we felt we should celebrate and use to re-establish the event.

So why resurrect the village Gala? Well why not! But seriously, events such as these are essential elements in sustaining a strong, cohesive and vibrant village community, just as much as the ongoing contribution made by clubs, societies, the church, the shop and the pub; without these activities and facilities, the quality of life within the village would be much diminished. So please get along and support our very own village Gala, and have a great time in the process!

So what can we expect from this new look Gala event? Well for a start, there's something for everyone. Croix du Nord, a medieval re-enactment group, are our headline act, who will transport you back to those days of old, with medieval crafts, textiles and food, as well as displays of battle armour and of course some real fighting action! And the kids can get into the period drama by purchasing their own plywood shield, and decorating it with their own coat of arms for a special competition judged on the day (if you haven't bought one yet, pop along to the village shop - £3 per shield).

In addition, the kids can have a go at den building, there's a bouncy castle and you can marvel at the wonderful owls from Bob's Owl Display and enjoy some puppetry making with the experts from Lancaster! The whole family can also try their hand at archery. A ceilidh band will provide the music, and to top it all there's refreshments from the WI, a bar, a roast and some traditional games such as boccia, a cross between boules and bowls. There's also a chance to come up to date with village sports clubs – why not join one on the day? – and various other attractions such as the £50 note man, have your photo in the stocks, cake stalls, tombola, raffle and a flagon slide game.

So how does it all start? Well we will start the Gala with the traditional procession down Burton Hill – starting from the village green outside the church. So gather there at 12.30, and walk down to the Recreation Ground for all the attractions which get going from 1-4pm.

Admission is by a programme, costing just £2 per person, or £5 for as family of four – how's that for value! Your programme number is also your raffle ticket, so don't lose it!

Numerous local businesses have made contributions to the Gala, and a small team of dedicated volunteers have worked hard over the past year to bring it all to fruition. All we need now is you – plus a nice sunny day!

If anyone can donate Tombola prizes, please leave them at the Village Shop.

## FROM THE EDITORS

Well, our first issue seemed to go down ok, no major errors or omissions, thank goodness (unless you know different ..). We were asked to inform our readers who the various articles were submitted by and we will do that. In particular the article on Alice Dale, it was the Revd Stephen Dawson, former Organist at Burton.

We have had a lot of copy this issue (thank you) and we're afraid some material has had to be compressed to fit in. Our apologies.

In particular, there was a lot of information about WW1 commemorations which we couldn't possibly hope to fit in, we would have needed another 28 pages. However, these are the websites, please go and look.

Hopefully, these links and/or articles will be on the village website which is also well worth a visit for all the information, history & photographs.

## Dem Dawgs! (or their Owners)

Outbreak of dog faeces matter on Burton's footways

Unfortunately the previous Burtonian items by 'Mr Happy' and 'Buster', appear to have encouraged a very small number of dog owners to leave their dogs' faeces on footways throughout the village – **not** funny, especially if you've stepped in it and dragged the wretched stuff into your home.....

The very small minority of dog owners have made it unpleasant for the majority of careful dog owners. Although DNA testing hasn't yet been employed to identify said dogs (and therefore their owners), it's not difficult to see that it's usually just two dog owners responsible for the mess – perhaps it's Mr Happy and Buster!!

Dog waste bags are available to buy at the Village Shop (75p per 100), or the local vet – please buy **and** use them to clean up after your dogs – everyone else would be delighted.

The British Penny

European Union Directive No. 456179

In order to bring about further integration with the single European currency, the Euro, all citizens of the United Kingdom of Great Britain and Northern Ireland must be made aware that the phrase "Spending a Penny" is not to be used after 23 June 2016.

From this date onwards, the correct term will be: "Euronating".

It is hoped that this will be a great-relief to everyone. If you have any questions, just give us a tinkle.

## LONSDALE WHEELERS CYCLING CLUB

The club continues to have regular weekend outings and is looking forward to the warmer weather and, of course, lighter evenings to make the most of during the week too. Pictured here are a few of the regulars on the way back from a 27 mile circular route via Kirkby Lonsdale and Barbon, after a refuelling stop at a local café.

Cycling is a great way to not only get fit, but also to enjoy the company of like-minded enthusiasts and to take in the wonderful scenery. We aim to avoid the busy roads and utilise the fantastic network of quiet lanes in the area, with routes out into Roeburndale, out to Clapham/Austwick, Silverdale, Dent, Sedburgh plus occasional trips to the Lakes, Gisburn Forest and more.

*"The club is affiliated to British Cycling" club secretary Mark Christie stated. "This gives each club member third party insurance for our rides. We organise an annual Christmas ride n' lunch, which is always really well attended, but the key thing is getting out and about and enjoying the wonderful countryside! Our 'routemeister', David Owen, is always conjuring up new – and dare I say challenging – rides, but the emphasis*

*is on good social rides whilst still working reasonably hard to improve our aerobic conditioning."*

The club members ride on the first and third Sundays of the month, at 10am from the pavilion - with routes from the door, or car-assisted rides are sometimes organised to more far flung areas including the Lakes. Four of the club members also recently returned from a spring cycling holiday to Spain, wearing the club kit with pride!

Membership is currently restricted to 16+ and costs just £15 a year (new members get 18 months for that price); but come and join us for a couple of rides to try us out before joining – we're a friendly bunch! We also have our own kit you can order, and are affiliated to British Cycling – so check us out on their website.

Get in touch with Ian Parker (Chair), David Owen (Routes) or Mark Christie (Secretary). We are also on Twitter @LonsdaleWheelCC and Facebook (Lonsdale Wheelers Cycling Club). We also hope to start a junior section soon – anyone interested?

*Mark Christie*

## JUNIOR SOCCER BACK ON THE MAP IN BURTON!

Scott and Peter's Football Academy – led by two young qualified FA soccer coaches – launched its first junior soccer sessions in the village in April over the Easter holidays. The Easter Day Camp - for ages 8-11 years (Years 3-6 at primary school) - included fun skills sessions, along with matches, a penalty shootout, crossbar challenge competition and a fun lunchtime quiz modelled on 'A Question of Sport'. The day camp was blessed with good weather and used the multi-use games area astroturf pitch.

*"It was great to see the kids so enthusiastic about football, willing to learn, try new things, but above all just have a good time and make new friends", said Scott. "We're looking to run more sessions for youngsters in the coming weeks, with the next day camp at Whitsun on Tuesday May 31st".*

If any parents are interested in helping to set up an AFC Burton United U11s team, then please get in touch with BRG Secretary Mark Christie (015242 64879).

### 1km and 3km VILLAGE FUN RUN – SAT JULY 9<sup>th</sup>

The Fun Run is back (*above: some of last year's 58 runners*) – so start training! This year you can choose either the short 1km run – 2.5 laps of the new grass running track – or the 3km (7.5 laps). A trophy for the 3km winner is new for this year, whilst all those who finish get a medal and goody bag. The new signs for the grass running track are already in place, and the track will be regularly mown to highlight the new

400m facility. *"We are going to officially launch the new grass running track on the day"* commented Ian Thompson, BRG Treasurer and Chair of the Parish Council. *"We hope the new facility will inspire more people to put on their running shoes and get fit – as well as have a go at either of the two fun run race distances!"*

Entry forms for the run – with an early bird discount price – can be obtained from emailing [markchristie101@outlook.com](mailto:markchristie101@outlook.com), or from the village shop during mid-May onwards. Andy Mouncey from FitnessFix will again be providing post-race massage, and Janet Hurst will lead a fun Zumba warm up. You can also get refreshments on the day and join any of the sports clubs the village provides. You can try free tug of war, orienteering and other games on the day after the races.

Medals for all participants – plus 3km Winner's Trophy!

## LADIES FRIENDSHIP GROUP

Meet the 4<sup>th</sup> Thursday in the month at 2.00pm in the Methodist Chapel Room to hear entertaining and thought provoking speakers and to enjoy time together.

All are welcome.

In March there was much laughter as we attempted the Bunny Beetle Drive. Where is the 6 when you need one? Our winners were Jill Peel and Doreen Pardey, the prize a chocolate bunny.

Our April speaker was Julie Gabriel Clarke who gave us a real insight into the work of The Burton Heritage Group. It was fascinating to see how much information they have scanned and recorded and hear about their plans for the future. We are so lucky to have such a dedicated group of talented villagers researching the heritage of the village.

For our next meeting, May 26<sup>th</sup> Jane Burns will be demonstrating a Flower Arrangement in a Tea Cup and then we will be trying our hand at making one. Please bring along a pretty tea cup and saucer plus any greenery and a few flowers from your garden.

We finish our year on June 23<sup>rd</sup> at 3.00pm with our Summer Tea Party. Just remember not to eat too much for lunch that day.

For more information call Heather Randall on 62619, Jane Burns on 61081 or Nancy Lund on 41458.

## OAP TO DO RED CROSS THREE PEAKS CHALLENGE IN JULY!

As many in the village will know, I have recently started as a volunteer caseworker with The Red Cross at their Drop In Centre for destitute refugees and those seeking asylum in Bradford. The plight of those who have left their homes and their countries, and have fled war, persecution and torture is harrowing. Behind every image, every face we see on TV, is a real person with horrendous and traumatic experiences we cannot even begin to truly imagine. There but for fortune could be any one of us.

In a moment of crazy enthusiasm I have also taken the plunge do the 3 Peaks Challenge on July 16 to raise funds for the Red Cross, supporting the very vital work they do in the UK for those in crisis, and also in response to the Red Cross Syria Crisis Appeal and the European Refugee Appeal. I must have been mad! but I am going to give it my best shot and see how I go. The target is to complete the walk in 12 hours: my personal target is to do it in under 10 hours – so huge training and practice is need!!

I will need all the help and encouragement available to get round the course and keep going, so please support me and help me raise money for the Red Cross, by visiting my fundraising page

<http://uk.virginmoneygiving.com/MargaretBrunoY3P>

Anything you can give means real help for those in crisis, and a huge spur to me to keep going. Thanking you all very much.

## **BENTHAM AREA REFUGEE SUPPORT GROUP**

Welcoming refugees to Bentham Area for a weekend.

We are planning to invite a group of about 15 refugees and asylum seekers to spend a weekend in Burton, Ingleton and Bentham in the autumn. They are living in Bradford and this will be a chance for them to meet North Yorkshire people and explore our villages and countryside. It is a chance to make a real difference to people who have been traumatised by war, persecution and torture, and to welcome them to our communities.

You might like to be involved in hosting or entertaining them for the weekend – contact Maggie Bruno tel: 61616 or via [david-maggiebruno@gmail.com](mailto: david-maggiebruno@gmail.com) with offers.

We need to raise enough money for their travel here from Bradford, by train or minibus. Would you like to contribute? –£10 from enough of us would do the trick. You can pop a cheque made out to Bentham Refugee Support Group, through Maggie Bruno's letterbox - 5 Twine Walk, Burton in Lonsdale, or leave a donation in an envelope for her in the village shop.

June 20<sup>th</sup> –26<sup>th</sup> is Refugee Week – look out for invitations to local activities around the area.

Several large HGV vehicles have been seen changing their route at the last minute when they see the new blue sign at Country Harvest road junction, so it seems to be working. Issues still to be resolved at the Greta Bridge end of the A687 over land ownership.

Now, I need to pay for the signs so please contact me [andy.ive@btinternet.com](mailto:andy.ive@btinternet.com) to contribute. 80 respondents in the village appraisal asked for the HGV's to be diverted which represents 45% of the villagers who responded. £5 from each respondent will mean I will not be out of pocket! Cash can be left in an envelope in the shop with my name on, with a note inside of who from and what it is for so there is no confusion.

### Other Services and Events in June and July

**"Guardians of Ancora"** is the title of this year's **Holiday Club for Children**, from Tuesday, 26th July to Friday, 29th July in the Methodist Schoolroom. Children from about 5-11 are most welcome. Activities start at 10 am each day and end about 12 noon. Helpers please note that setting up will be on Monday, 25th July from 11 am onwards. The service at All Saints' Church on 31st July will be an opportunity for us all to hear about it.

**Thank You, Thank You, Thank You** ... for all you have all done in making the repairs to the spire possible. Please book the date, Sunday, 24th July in your diary. We shall be having a **Thanksgiving Service** that day at 3 pm, with exhibitions of photographs and other things and, of course, something good to eat and drink. Bishop James is coming to join with us. Do join us too, please, so all our helpers can be thanked.

**Stay and Play** is our group for pre-school children (with parent or guardian) each Thursday from 10 am until about 12 noon. New families are always welcome. Stay and Play will be on each Thursday from 9th June to 7th July (inclusive). Contact Ann if you would like more details ([elizabethwhitworth@btinternet.com](mailto:elizabethwhitworth@btinternet.com)).

Each Friday morning at 10 am we meet in the Church Vestry for a short simple time of **Prayers for the Parish**. Do feel free to join us for 25-30 minutes.

### News of the Spire!

It has been a long and complicated business but on 13th May the last bit of repair work to the guttering was completed and the job was done. "Thank You" to all those of you who have contributed so generously towards the cost or helped us in many other ways. We hope you like the result. Things are drying out where water had got in and the jackdaws have, it

seems, stopped trying to force entry to the bell chamber (at least for this year). The kind interest-free loan by parishioners has enabled us to pay our bills whilst we wait for the final VAT refunds to be received and the final part of our grant. A bit more is still needed, though. Thank you too for those who helped us dispose of the old shingles.

We hope those of you who took part in the "pilgrimage" round our five churches enjoyed the walks, cycle rides or car journeys; thanks for taking part. And finally, thank you for your support of the Children's Society in our village collection for their excellent work. You raised a great £766.73 (including gift aid).

God Bless,  
*Ann and Glyn*

### **And from Vicar Denis ...**

No more heroes anymore?

As I write this the Tour of Yorkshire has finished and the Tour de France is due to start in a few weeks. I have not always been a cycling fan but I was introduced to it a few years ago when Lance Armstrong was at the height of his career. Here was a heroic figure - a champion who overcame cancer to be a champion again and what was more defeat the French in their own country!

I know differently now. Following rumours and veiled accusations he finally confessed to wholesale, drug-fuelled cheating, compounded by an oppressive regime towards any team mate considering disclosing that fact.

So many of our sporting heroes are in the public limelight, bringing its own pressures but just succeeding in sport (or any other sphere) does not necessarily make you a hero. The Strangers famously sang in the 1970s that there were no more heroes anymore so what makes a hero? There could be many definitions but it has to be more than being excellent in some aspect of life. It could be in overcoming a difficulty or problem in your life or in serving others and yet I would argue that it is in the readiness to make a personal sacrifice to help others. This often includes overcoming an inner voice or temptation to save yourself from the consequences of such an action.

The Christian story includes the story of Jesus in the Garden of Gethsemane, contemplating his future and the likelihood of his death and yet pressing on to fulfil his destiny. His was the supreme sacrifice that he, who had done nothing wrong, was ready to suffer and die to help others. This is heroic.

Death faces us all. Life can seem so fleeting, but when Christ died and was raised from the dead He was not only proving that He was the Son of God, but that there is life beyond death. What is more He said that those that believe in him would live even though they would die. The life Jesus offers is the greatest life because it lasts beyond this life. It is everlasting.

### **In other news ...**

On Thursday 5th May the Rotary Club of Lunesdale held its 41st Charter Evening celebration dinner at the Bentham Golf Club. It was attended by 90 people which included Rotary Club members their partners, families and friends. We were delighted to welcome also 1190 District Governor Arthur Jones, District International Chair Derek Timms and fellow Rotarians from 8 other Rotary Clubs. Guests enjoyed an excellent meal, an address by Presi-

dent John Dale an address by the District Governor and were entertained by the popular well known entertainer Norman Price.

The highlight of the evening was the presentation of the International Recognition Award by Arthur Jones to Rotarian Duncan Hamlett of the Lunesdale Club and to Rotarian Peter Doughty of the Kirkham & Rural Fylde Club. Last year, owing to the persistent and determined efforts of both of these Rotarians, 15 Under Six Centres, part of the Mary's Meals Charity in Malawi, were awarded an International Global Grant of £79,000. 29 Rotary Clubs, mainly in District 1190, made financial contributions to this, the biggest project ever undertaken by the District. This grant will ensure numerous improvements to 9 of these centres and complete fitting out of 6 new build Centres for nursery age children. Initially 3,000 toddlers and many more in future years will benefit from a daily meal, a start on the education highway plus trained helpers in nursery care all of which is aimed at giving them a better start in life.

On Thursday 12th May club members plus family and friends visited The Wensleydale Creamery at Hawes. Everyone thoroughly enjoyed an excellent meal followed by a fascinating cheese-making demonstration. No visit to the Creamery is complete however without a visit to the temperature controlled cheese shop. The selection of cheeses to taste and buy is quite an experience and many purchases were made. Everyone agreed it was a really pleasant visit.

### **Craven District Council is starting to collect drinks cartons in the kerbside recycling service**

Residents can now recycle even more of their household rubbish, using the blue recycling bin currently used for glass, cans and plastic bottles. Each year, manufacturers produce approximately 57,000 tonnes of waxed paper-based cartons to pack-

age milk, fruit juice and an increasingly wide range of food products, including soup, chopped tomatoes and pulses for the UK market. The high-quality wood fibres found in beverage cartons are flexible and strong, and can be recycled up to six times, making them a valuable raw material for new paper products.

The cartons were previously sent to landfill because they required special treatment to separate paper from other layers. Now, they can be put into the blue bins along with glass, cans and plastic bottles for recycling. Residents are asked to remember to squash the cartons before recycling.

Councillor Alan Sutcliffe, lead member for Greener Craven, said: "The residents of Craven have always responded well to the different recycling schemes we've implemented, but we've still got some tough targets to meet in Craven."

For more information on the council's recycling service, please visit our website [www.cravencd.gov.uk/recycling](http://www.cravencd.gov.uk/recycling) or call 01756 700600.

### **SETTLE COLLEGE JOINS LEADING EDGE**

Settle College has been recognised as a high-performing school and has been accredited Leading Edge school status, which is a national network of secondary and special schools. Leading Edge supports schools in working in partnership to raise achievement, develop innovative practice and share practical strategies within and beyond the network.

Leading Edge is run by the Schools, Students and Teachers Network (SSAT). All Leading Edge schools must demonstrate statistically significant levels of progress and that their students perform above the national average.

SSAT's Chief Executive, Sue Williamson, said "We are delighted to welcome Settle College to our Leading Edge network. It is a credit to the hard work of all of their staff that they have been recognised as high-performing and we look forward to working with them."

Michele Costello, Principal, said 'In today's climate we firmly believe in schools working together and becoming a Leading Edge

School is a great opportunity for good practice to be shared. To be recognised as a high-performing school is also very rewarding for staff, students and Governors.'

## **BURTON IN LONSDALE WI**

*We meet on the first Thursday in the month at 7.30pm in the village hall.*

The April meeting of Burton-in-Lonsdale WI attracted another large turn-out of members and visitors. President Jean Thornber welcomed our two guest speakers, who actually needed very little introduction: Kath Salrein and Alice Dodgson, both long-standing members of the community.

They entertained and informed us about daily life in Burton from their early childhood from around the onset of World War II, and changes they have witnessed over the years. To begin, Alice took us on a walk around the village, describing shops and small businesses along High and Low Streets, Duke Street and Leeming Lane. It was surprising to learn how many families supplemented their income from selling small items or sewing, for example. The village was almost self-sufficient: a huge contrast to today's reliance on supermarkets. She also mentioned businesses long gone, like the blacksmith's, the butcher's and the knacker's yard.

Kath expanded on Alice's memories and painted pictures of some of the village personalities, regaling us with many anecdotes. Children used to get up to all kinds of tricks, including climbing up to the church belfry to ring the bells at the end of the war. A gypsy family at Waggetts who held a five day wake, with the deceased stood up in her coffin in a corner of the room, have entered the folk lore of Burton.

Jill Peel, as a comparative newcomer to the village (only resident for 23 years) thanked Alice and Kath for sharing their memories and presented each with a bouquet.

June meeting: 7.30pm on 2 June in the Village Hall: 'The Winders of Wyresdale', a talk by Andy Hornby, with songs, about a folk band from Dolphinholme started in the early Eighteenth century. All welcome. Entrance £5 to include a glass of wine and nibbles. Tickets from the shop or on the door. Look out for notices!

## **SPORTS WEB SITE**

The new Burton Sports website is up and running: go to [www.burtonsports.co.uk](http://www.burtonsports.co.uk) – there you can find out about all the facilities for hire, including the pavilion social room for children's parties or functions; the playing field and changing/showers; links to the cycling and bowls clubs; how to book the multi-use games area, and more.

We will soon have a secure booking & payment system online, but in the meantime bookings can be made in a more old fashioned way via various points of contact noted on the webpage. So whether you want to book the field for regular football, play tennis on the games area, or plan a birthday party, then please go to the webpage to find out more.

## **JULIAN SMITH MP**

Another 15 press releases from our MP this time. In the first, he publishes his Annual Report which is no doubt available on his website: [www.juliansmith.org.uk](http://www.juliansmith.org.uk). There is a mention of the Living Wage, the new State Pension & various business tax changes. Perhaps of local importance, more cash for potholes, presumably to fill them in properly. He is also hosting two EU Referendum Events, the first will be on 26 May at the Ripon Spa Hotel at 7.00pm and the second will be at Craven College's Aireville Campus on Friday 3 June at 7.00pm. A later press release states that the June one is now full. Unsurprisingly, Julian is for Remain.

On other topics, he welcomes the falling crime rate, in North Yorkshire, crime recorded by the police has fallen by 13 per cent. And there are 139,000 more people in work across Yorkshire and the Humber. He is also supporting the National Citizen Service (NCS) programme for 15-17 year-olds that will be taking place across the UK this summer.

## A YOUTH CLUB?

The idea is gaining momentum for some form of youth project in Burton. At a consultation evening in April we had enough folk to both look at running it and attending as members. To that end we had a training evening with Lenny from North Yorkshire Youth, and we will be holding a meeting to look at how to run it, when to run it, how often it should be held.

The list of events includes trips out for caving, climbing, bowling, fishing, cycling as well as indoor events on stage lighting and audio management, cooking etc.

We will always need volunteer helpers to assist, so email me on [andy.ive@btinternet.com](mailto:andy.ive@btinternet.com) for more details.

Social media is the online enemy of youth clubs, but sitting in front of a screen can never take the place of going out and doing something for real!

## Settle College wins award for exceptional 2015 results

Settle College has been nationally recognised for its exceptional 2015 performance by the Schools, Students and Teachers network (SSAT). Educational Outcomes data analysis from SSAT has shown that the school is in the top 20% of non-selective schools nationally for high average grades achieved by students and the top 10% nationally for progress made by pupils between their key stage 2 results at primary school and their key stage 4 results.

The school's SSAT Educational Outcomes award will be presented at a regional celebration event held to draw attention to the work of high-achieving, improving and innovating schools and teachers.

Sue Williamson, Chief Executive of SSAT said: 'It's my great pleasure to commend Settle College on their excellent 2015 performance, and to have the opportunity to highlight and share their great work at the SSAT Educational Outcomes celebration evening. I have the privilege of visiting a lot of schools and I am always impressed by the creativity of teachers in engaging and inspiring their students. 'I hope that SSAT's Educational Outcomes award will highlight the professionalism, commitment and hard work of the leaders, teachers and students at Settle College. Recognising and sharing successes like this is at the heart of SSAT's mission, so I'm delighted to congratulate Settle College on their achievement.'

## **VILLAGE HALL**

Not much to report this month. The hall has increased its bookings again with parties and clubs using it. A table tennis (TT) club is under negotiation (see bottom left), based on the results of a TV programme on dementia that stated TT was a way of overcoming cognitive degradation that leads to dementia!

Hire rates are now £8 per hour for local groups and £9 for others. The Plusnet Broadband is usable under an honesty system, so if you use it please add £1.50 per hour on to the hire rate.

There has been some great feedback on the Village hall site on Facebook, find us and take a look. The site is updated almost daily. Local events have been parties, a bike stopover, a dinner etc.

Tea and coffee facilities are always available with an honesty box, but when using the water boiler on the wall, please unplug it and empty it afterwards.

Five new double sockets have been installed in the hall, and the electrical system has been tested and faulty sections replaced, all of which has cost us money, so please use the hall.

Forthcoming events include:

Last night of the Proms Sept 10<sup>th</sup> 19.00.  
Dress up for a thoroughly British night.  
Jacobs join

Great Burton Bake off combined with Concert and cakes event in October

Houghton Weavers to be confirmed for October-watch this space.
